

What is a Community Foundation

The Grant County Community Foundation is a local not for profit charity. It is sort of like an umbrella under which a lot of good things happen!

*With Endowed Funds, the principal is never touched, only the earnings are granted annually.

**Demand Funds allow both the principal and interest to be disbursed.

The Grant County Community Foundation Incorporated is a Kansas corporation with a 501(c)3 non-profit status that is organized as a public charity. We can:

- Accept donations to any existing fund in the foundation.
- Establish a fund in the foundation to support your charitable giving plan.
- Accept donations of:
 - Cash
 - Check
 - Credit Card
 - Stock, bonds and mutual funds
 - Commodities
 - Real Estate
 - Minerals
 - IRA's and other types of retirement accounts
- Donations can be accepted now and/or part of an estate plan.

- Accept memorial donations that will be acknowledged to the family as well as the donor.
- Accept scholarship funds and handle the student applications.

The community foundation has an extremely flexible format to meet the charitable goals of our donors. We can help with pass through donations now, and we can also help with donations made now as part of a tax plan that will benefit the donors favorite charities for many years in the future.

Having a community foundation in the community is a powerful tool and an asset that other communities wish they had.
