PROPERTY DETAILS

Hacienda del Sol

Introducing Hacienda del Sol, one the newest high end homes in the Santa Fe rental market.

Beautiful sunrises, sunsets, the Milky Way, great hiking trails, and total privacy. Hacienda del Sol is a spectacularly furnished 3500 sq ft vacation home that borders a 2000 acre reserve just 20 minutes south of Canyon Road and the Santa Fe Plaza. Santa Fe is known for its vibrant art community, and the famed Canyon Rd has some of the best galleries in the world.

Open Concept

Our home features an open concept living and dining area, a huge king bed master suite, and two beautiful guest bedrooms (one king, one queen) at the opposite end of the house. Dine outdoors and enjoy spectacular views from either the front or back patios.

Located in Lamy, NM

Hacienda del Sol is located in an area called Lamy, just south of the city, where a train station was built in 1881 to serve (as it still does) passengers going to Santa Fe. Today, next to the train station, the historic Legal Tender Saloon and Eating House has reopened and is considered to be one of Santa Fe's best and certainly most unique restaurants.
